

Waiting Eagerly

**A 17-DAY READING PLAN + VIDEOS
ON THE RETURN OF CHRIST**

by Emily Wickham

Dear Student of God's Word,

Welcome to this 17-day discovery of what the Bible says about Christ's return. *Waiting Eagerly* is designed to help you learn details about this relevant topic and consider how it applies to your life today. By reading specific Scripture passages plus watching video lessons, your knowledge and understanding will increase. Most importantly, this biblical journey will inspire you to live with purpose while waiting eagerly for our Lord Jesus Christ.

Appropriate for personal or group use, each day of *Waiting Eagerly* involves Bible reading and a correlating video. Both of these components can be completed in approximately 30 minutes, and I also encourage you to include prayer in this study time. You'll learn a significant amount simply by following this plan for 17 days, and Lord willing, you'll be blessed beyond measure.

Thank you for entrusting me with the privilege of leading you through various Bible passages about the return of Christ. Bible prophecy fascinates me, and the days we're living in have increased my interest. As a Bible study author, LifeWay magazine writer, women's ministry leader, YouTube speaker, and Christian blogger, I'm passionate about presenting God's Word and helping women grow spiritually.

In Christ's Love,
Emily
